

HOSE REELS: 5085 SERIES

Up to 50' Max hose capacity

HOSE REELS: 5085 SERIES UP TO

Up to 50' Max hose capacity

Hose reel in floor/tank position

5085 Series HD Large Capacity Hose Reels

Full metal, heavy-duty, hose reel with hose capacity up to 50' x 1 1/2" hose.

Very tough full metal construction

Large capacity reels, able to withstand regular use and abuse in intensive duty applications

Fatigue resistant steel spring

For years of durable performance and even load when pulling and recoiling

Spool mounted on two permanently lubricated and sealed ball bearings

To reduce torque load on spring for smooth retraction and longer life

Large latching area for easier operation

Dual Spring

Reels include a dual spring for effective and consistent hose retraction

Hose reels offer two mounting positions:

Floor and tank positions

Hose reels are delivered in the floor mount position
