# Store Features – Communication Center

- **shop.SAMSONCorporation** offers a NEW secured Communication Center designed specifically for distributors.
- Available when they log-in

The screenshot shows the top navigation bar of the SAMSON website. At the top left, there is a 'Select Language' dropdown. To the right, it says 'Welcome, jlarkin@samsoncorporation.com' with a dropdown arrow and a 'Compare Products' link. Below this is a red banner with the text 'Free shipping for orders over \$2500!'. The main navigation bar features the SAMSON logo on the left, a search bar with a magnifying glass icon, and a cart icon showing 'Cart Total: 0 item(s) \$0.00'. Below the search bar is a horizontal menu with the following items: 'Shop Samson' (with a dropdown arrow), 'Customer Service', 'File a Warranty', 'News' (with a dropdown arrow), 'Contact Us', 'Communication Center' (with a dropdown arrow and highlighted by a red box), and 'Help' (with a dropdown arrow).

# Store Features – Communication Center

- In the Communication Center distributors have access to:
  - Information Releases – historical listing of info releases
  - Promotions – any active promotions will be shown here
  - Image Library – downloadable high resolution images
  - Brand Identity – downloadable SAMSON logo with usage guidelines
  - Technical Data – downloadable catalog pages, STEP files, CAD files, etc.
  - Pricing – current published list price sheet

# Store Features – Communication Center

- All communications to distributors will come from **shop.SAMSONCorporation**
- Stay in the loop
  - Even if a customer chooses to NOT use shop.samsoncorporation to place orders they are encouraged to register so they may have access to the communication center tools and receive promotions and other information releases.
